

Global Climate Change Workshop

For 6th-12th Grade Teachers
5th Grade teachers are also encouraged to apply!

Wednesday, July 22nd 2009
9:30 a.m. ~ 3:00 p.m.

at Point Defiance Zoo & Aquarium ~ Tacoma

“Climate Change: Connections and Solutions”

These middle school and high school curriculum units encourage students to think critically about climate change and to collaborate to devise solutions. Students learn about climate change within a systems framework, examining interconnections among environmental, social, and economic issues.

Presented by:
www.facingthefuture.org

You'll also find out how

POLAR BEARS

are specifically affected by climate change in the Arctic and take a trip down to see our bears in action!

Sponsored by:
www.pdza.org

FREE! Thanks to the
Pt. Defiance Zoo & Aquarium
Conservation Committee
(Includes Clock Hours & Zoo Admission)
